Called to Order at:

AGENDA

1. The Village has received an updated Agreement with the East Lawn Water Association. This agreement will be approved at the May 17th Board Meeting. Contract will be from June 1, 2022, through December 31, 2027.

2. The City of Silvis reached out to the Village to see if we would be interested in going in on a joint purchasing program to purchase Neptune water meters. Currently Silvis is trying to get something organized with the surrounding communities, who also use Neptune meters. The goal is to see if Ferguson could provide us with a cheaper rate if we all submitted one big bulk order instead of each individual community purchasing their own.

3. Monthly Comp Time Report – April 2022.

4. New or Other Business.

5. Adjourn Meeting.

Next Meeting:

Tuesday, June 14, 2022, immediately following the Administration Committee meeting at 6:00 p.m.
