- A. Performs general duty fire fighting work in extinguishing fires and in the maintenance of apparatus. Does related work as required.
- B. Distinguishing Features of the class:
Firefighters may be assigned on a temporary basis as operators of a motor vehicle responding to alarms. A large part of the time is spent in the performance of routine duties, maintenance and repairing of property and equipment, and in extensive training. Work is normally performed under close supervision or within an established routine. Assignments are given by a superior officer, both in fighting fire and in the maintenance of building, grounds and fire equipment.
- C. Illustrative Examples of Work:
 - 1. Responds to fire alarms, lays and connects hose and hose nozzles and directs water streams.
 - 2. Raise and climbs ladders.
 - 3. Uses chemical extinguishers, bars, hooks, lines and other equipment.
 - 4. Removes persons from danger and administers emergency treatment to ill and injured persons.
 - 5. Participates in fire drills, attends school in fire fighting, and fire equipment and apparatus operations.
 - 6. Maintains fire equipment.
- D. Required knowledge, Skills and Abilities:
 - 1. Some knowledge of the street system and physical layout of the community.
 - 2. Some knowledge of emergency treatment.
 - 3. Ability to acquire a Class “C” chauffeur’s license.

4. Ability to understand and follow oral and written instructions.
5. Ability to develop skill in fire fighting and the use of fire fighting equipment within a reasonable test period.
6. Ability to act quickly and calmly in an emergency.

E. Rules for Fire Fighters:

1. They shall perform all regular and special duties assigned them, the apparatus shall be kept in good condition, the station neat and clean, and all equipment shall be kept in good condition and ready for use.
2. They shall familiarize themselves with the appropriate City Ordinances, the Carbon Cliff Volunteer Fire Department Rules and Regulations, and the Departments Rules and Regulations and shall govern themselves accordingly
3. They shall participate in all training drills and other Department training activities as directed, be thoroughly familiar with all equipment they may be required to use in the full performance of their duties, and perform related work as required.
4. They shall not go off duty until properly relieved or until their immediate superior has authorized other arrangements.
5. They shall not permit intoxicated or otherwise undesirable persons to remain in or about station at anytime. Children will not be permitted about station at anytime unless accompanied by an adult. Loitering about station by any unauthorized persons is prohibited.
6. They shall, when responding to an alarm, park their cars so as not to interfere with fire apparatus movement of free flow of traffic.
7. They shall attend all training exercises and schools as ordered by Fire Chief.

I have read and understand and will follow the Ordinance No. 86-15 set forth by the Carbon Cliff Volunteer Fire Department, Public Safety Committee and Village Board.
