PUBLIC WORKS COMMITTEE MEETING

(WATER, SEWER, GARBAGE AND CABLE TV)

Village Hall – 106 1st Avenue, Carbon Cliff

AGENDA

Tuesday, June 13, 2017

6:00 P.M.

1. Review Residential Survey on Interest in Curbside Recycling.
2. Guidance on the next step Committee wants employee / staff to continue with in the repair of the Hoerr Construction televising and report from Jack Kusek about the infiltration into the sanitary sewer mains.
3. Guidance on directing DOCAS Gottwalt to you would like to have another area of sewer main televised this year, with possible slip lining. We have only spent approximately 50% of the budgeted amount for the televised, cleaning and slip lining. The sewer bills to East Moline are still running around \$69,000.00 per month. Clerk Hopkins and Village Collector / Deputy Clerk Allen are working on analyzing different reports to try and find where the excess is coming from, at this time still not finding anything. As of today if the Village would add all the water / sewer / garbage funds together we only have enough to pay around 5 months of sewer bills at that rate.
4. Monthly Collector's Report – May 2017.
5. Monthly Maintenance Comp Time Report – May 2017.
6. Monthly Clerk's Report – May 2017.
7. New Business / Other.

Next Meeting – Tuesday, July 11, 2017 – 6:00 P.M. at Village Hall
